

## Gubernatorial Drive Gains Some Tempo

By THE ASSOCIATED PRESS

The Arkansas gubernatorial race is beginning to look like a poker game with the stakes promising to grow higher as charges and counter charges continue to fly.

Former Gov. Sid McMath said in his nightly telecast Monday night that backers of Gov. Orval E. Faubus will have pumped a cool million dollars into the campaign by election time next Tuesday.

Faubus, appearing at a televised rally in Benton, replied to half a dozen charges by his opponents, McMath in particular, and defended his nearly eight years in office.

The third to make a Monday night telecast was Kenneth Coffelt who attacked the Arkansas Democrat for being biased in favor of the incumbent governor.

Rep. Dale Alford journeyed to Hot Springs where he spoke before a gathering estimated at 300 on the Garland County courthouse lawn.

Both Vernon Whitten and David Cox rested up, drawing fresh breath for the grueling final week ahead.

At Benton, a crowd of between 1,300 and 2,000 interrupted Faubus eight times with applause as he denied previous contentions that he has become a millionaire, that utility rates have skyrocketed and there is fear in the state because of his administration.

Faubus, who earlier in the day warned his campaign workers against becoming complacent as the voting day approaches, cited changes brought about by his administration for the good of the state.

He also issued a warning to persons who allegedly are promising poll tax receipts for persons not registered. This matter has occurred in several sections of the state, the governor said.

McMath again attacked the Arkansas Statesman, owned by Faubus, saying most of its advertising is bought by agencies doing business with the state.

W. R. (Will) Stephens, head of Arkansas Louisiana Gas Co., once more was injected into the campaign, McMath said Stephens and his associates would foot the bill for the Faubus campaign and predicted the governor would stage a talkathon over radio or television before the election.

Coffelt minced few words in his 30-minute television speech entitled "The Rattlesnake."

The Little Rock opponent jumped on a news story appearing in Sunday's edition of the Democrat which showed him to be completely out of the race.

He predicted he would finish second to Faubus July 31 and maintained stoutly that he was the only candidate who could be the governor in an Aug. 14 runoff.

Coffelt urged his listeners to support his cause and said the Democrat had "treated me and my candidacy with utmost contempt from the beginning."

Alford told his Hot Springs audience that if he is elected he will work toward making the area into one of the finest vacation spots in the nation.

Attacking Faubus, the Little Rock congressman said Arkansians have been the victims of the biggest deceit in the state's history.

Cox, appearing in municipal court at Weiner Monday to answer a charge of disturbing the peace in connection with his arrest Saturday, pleaded innocent and the case was continued until Aug. 17.

Faubus and Alford both appear in southwest Arkansas today, with the governor stopping in Prescott, Hope and Texarkana while Alford politics at Lockburg, Ashdown and Texarkana.

Whitten had a noon address in Little Rock before a civic club, and a television speech over an El Dorado station tonight.

McMath was to spend the day in northwest Arkansas with stops at Van Buren, Berryville, Eureka Springs, Green Forest and Harrison.

Coffelt speaks before a Negro rally tonight in Little Rock. Cox gave no itinerary.

## AEA Criticizes a Faubus Ad

LITTLE ROCK (AP) — The Arkansas Education Association, sharply criticized today a political advertisement in behalf of Gov. Orval E. Faubus.

The ad, in the Arkansas Democrat-June 22, depicts Mrs. Katherine Johnson of Lake Village and Little Rock as a school teacher, the AEA said, when she isn't.

The AEA says Mrs. Johnson is not a member of the AEA, nor is she a member of the Arkansas Teacher Retirement System, and is not a public school teacher of the faculty there.

A spokesman for Our Lady of Good Counsel (Catholic) School said Mrs. Johnson is a member of to "keep the record straight."

Mrs. Johnson works in Faubus' campaign headquarters.

Evangelist Larry Taylor, young, frank and dynamic Ouachita College senior told a First Baptist congregation Monday night that if the lost people of Hope were going to be saved it would take work by church members at times other than periods of revival.

"It is not God's purpose for us to remain in our ivory towers and isolation booths — because Jesus himself set the example by going to the people, wherever he found them, at home, at work, by the seashore, at Jacob's well and many other places. He traveled the countryside, bringing hope and happiness to the multitudes."

"In our churches of today, we find that some church members only let their hair down and humble themselves at revival time."

"God expects each one of us to take our own spiritual experience, our happiness and our faith to the Valley of trial, tribulation and depression and there to witness and to win the lost — because the fruit of revival is soul-winning."

"We must have compassion and understanding. We must be positive in our faith to unloosen the problems that plague many people and to bring about a free course of spiritual life to troubled humanity."

His sermon text was taken from the ninth chapter of St. Mark — the transfiguration story — where Jesus took Peter, James and John to the high mountain to prepare them for the scandal of the cross — that was to follow in later days.

Tuesday night's topic will be: "Waiting and Wanting," beginning at 7:30 p.m.

Evangelist Taylor warned the young people not to allow "your mind to outgrow your soul by accepting the many theories of liberalism and modernism now being taught in the schools of higher learning concerning God's holy word."

The so-called intellectual professors in some schools are referring to the Bible "as a fairly reliable book" but as "you go through your intellectual development, don't neglect your soul, but continue to develop your spiritual optimism."

The revival campaign will continue each night at 7:30. The public is invited.

ATLANTA, Ga. (AP) — Circuit Judge Elbert P. Tuttle announced today he will stay an injunction issued by a federal court judge against demonstrations and boycotts by Negroes at Albany, Ga.

Tuttle said the federal order will not prevent Judge J. Robert Elliott of Columbus, Ga., from proceeding with a hearing at Albany next Monday on making permanent the injunction he granted Friday night.

Albany Mayor Asa D. Kelley Jr., asked that no stay be granted. Kelley said no harm could come to the Negro defendants by leaving the injunction in effect pending a hearing Monday on making it permanent.

"We simply are seeking to preserve peace in our city and to see that the laws of the city and state are not violated," he said.

"A stay at this time would create intolerable conditions in our city. In my judgment, if Judge Elliott had not signed the restraining order last Friday night there would have been violence and possible bloodshed in Albany, Ga."

Another federal judge, W. A. Boatle of Macon, refused Monday to overturn the degree.

Seven Negroes were arrested late Monday night for refusing to disperse in front of Albany's City Hall after nearly 200 police officers were called out in anticipation of a mass demonstration.

## C of C President Leaving

BILL WRAY, RIGHT, ELECTED TO FILL OUT THE unexpired term of Chamber of Commerce President Bill Caldwell who is leaving, is shown presenting the past president's plaque to Mr. Caldwell. Mr. and Mrs. Caldwell served today having been transferred to Athens, Texas. He had served since January 1.

## Woman Visiting Son Here Dies

Mrs. Maudie Louise Martin, 54, of Sulphur Springs, Texas, died last night in a local hospital. She was visiting her son, L. D. Martin of Hope. Other survivors include two daughters, Mrs. Elsie Hildon of Houston and Mrs. B. B. Woodall of Texas City, Texas.

Funeral services will be held at Sulphur Springs, Oakeside Service is in charge of local arrangements.

## Arkansans Robbed in New York

WOODBORNE, N.Y. (AP) — An escaped prisoner bound and robbed five persons at rifle-point early today, then fled in an automobile belonging to one of them.

State Police said the gunman was Donald Eugene Sims, 30, who escaped July 8 while on a work detail at Walkkill State Prison. He was serving 7½ to 15 years for armed robberies at liquor stores in Brooklyn and Queens, New York City.

Officers gave this account: About 1 a.m. the group of five persons returned from night races at a trotting track at nearby Monticello to be confronted by the rifle-wielding Sims in their summer cottage here.

Those in the party were listed as Richard B. Jones, 18; his mother, Mrs. Camilla Jones, 45, and Sherry Dunn, 15 all of Jacksonville, Ark.; Nancy James Samuels, 17, Little Rock, and Mrs. Janice Yalowitz, 25, who gave her address as in care of Kutch's Country Club, Monticello.

Sims took them to the cottage cellar, bound them with strips of bedsheets, robbed them of about \$100, shaved, ate a meal and fled about 2:30 a. m. in Jones' 1960 model car. When last seen he was heading toward Monticello on New York Route 22.

## Forest Hill Church Revival

Forest Hill Baptist Church, 10 miles out on Rossion road and a mile to the left, will close its revival meeting Saturday, July 28. Services are at 10:30 a.m. and 7:30 p.m. daily. The Rev. Hollis Dillard is doing the preaching and the Rev. Wesley Thomason is pastor.

## Collision Fatal

GURDON, Ark. (AP) — A car-train collision here Monday claimed the life of Earl Ross, 49, of Gurdon. Officers said Ross' car collided with a Missouri Pacific freight at a crossing in Gurdon on state Highway 53.

## After Years of Listening to Men Gripping Here Is a Dream of the Ideal Wife

By HAL BOYLE

NEW YORK (AP)—What is the ideal wife?

Publicly, the ordinary man may say she's the woman he married. Privately, he may have other ideas.

But after years of listening to men griping about women and their foibles, I've put together a kind of dream picture of the dream bride.

The ideal wife is one who—Always knows where her husband absent-mindedly left the car keys.

Thinks it's a privilege to pick up his clothes from the floor.

Sews her own clothes—and they look as if they had been designed by Balenciaga or Dior.

Loves her husband's jokes, and gets a real kick out of hearing him tell them at parties.

Never phones him at the office to bother him with home emergencies.

Always has plenty of charcoal on hand when he suddenly decides to preside at a back yard cookout.

Keeps enough of her own cigarettes around so that she never has to borrow his, but can lend him some if his supply runs out.

Can fix a leaky faucet or balky television set without having to call in an expensive plumber or repair man.

Never: The Ideal Husband.

## Both Europe, U. S. Pleased With First Exchange of Live Television Programs

### Will Crain, Dies at Prescott

Will Crain, 78, retired Prescott farmer, died at his home last night.

Survivors include his wife, Emma; a son Clarence of Prescott; three daughters, Mrs. Floyd Taylor of Prescott, Mrs. G. W. Cleaver of Hope and Mrs. Claude Rowe of Pine Bluff.

Services will be at 2:30 Wednesday at Prescott Church of Christ.

## Air Engineers Offer to Take U. S. Proposal

WASHINGTON (AP)—Eastern Air Lines' flight engineers offered today to accept the latest government proposal for settlement of their month-long strike and Secretary of Labor Arthur J. Goldberg appealed to the carrier to reconsider its previous rejection of the formula.

Goldberg, saying his settlement plan had been acceptable to the airline earlier in the dispute, asked the company to reconsider now that the union has offered to end the shut-down.

Officials indicated belief that if Eastern should reverse its position and accept the settlement, the precedent would prove to be a basis of agreement on the similar problems existing on Pan American World Airways, American and Trans World Airlines.

Offering to get back on the job immediately, the Flight Engineers International Association, AFL-CIO, said through a spokesman: "What all this boils down to is if the strike goes one more day it's Eastern's fault."

Malcolm MacIntyre, Eastern's president, announced Monday night that the airline was rejecting Goldberg's proposal to arbitrate economic issue and accept terms previously worked out for solving the knotty jet crew complement issue. Both the carrier and the engineers had accepted earlier—but at different times—the general plan for a settlement on the crew makeup point.

The airline said the assent of Eastern's pilots was needed before the cockpit job plan could be accepted. It also objected to including payroll retroactivity in proposed arbitration of economic issues.

In accepting Goldberg's plan the flight engineers made it clear they want retroactivity included in the arbitration of pay and other economic issues just as the labor secretary proposed.

The engineers announced plans to file suit later today in the U.S. District Court in New York to enjoin Eastern against making offers to individual engineers and against changing engineers' qualifications without negotiating the changes with the union, as the engineers said is required by law.

The deadline set by Eastern for the strikers to claim their jobs on an individual basis or face discharge came up today.

## Two Accidents Are Investigated

Chief of Police Jack Brown reported two accidents in the city yesterday. At Third and Main vehicles driven by Azy Jester and Harold Goss collided with considerable damage resulting. Jester was charged with failure to yield the right-of-way, the Chief said.

At Pine and Avenue A cars driven by Sarah Bagley and Larry Patterson collided with only minor damage resulting. Officers reported.

## Four Perish in Crash of Jet

LIVINGSTON, Mont. (AP) — A flaming airplane, believed to be an Air Force B47 jet bomber from Texas, crashed into a 10,960-foot mountain in south central Montana Monday night.

Ground parties at rugged, timber covered emigrant Peak, 20 miles southwest of here, said they found no signs of life in the wreckage.

Col W. L. McDowell, who commanded Dyess Air Force Base, Tex., confirmed that a B47 from there was on a flight in the Livingston vicinity.

The plane carried a crew of four.

By ANDREW MEISELS

NEW YORK (AP)—Americans got a look at Europe, and Europeans got a look at the United States Monday in the first exchange of live television programs.

Pleasure was expressed on both sides of the Atlantic, as the one-time formidable distance between the two continents shrank to the size of a home television screen.

The distance was bridged electronically by the Telstar satellite, which enabled the television men to beam signals across space from continent to continent in milliseconds.

The result was international television programming—and good programming at that. Missing, however, was any hint of the competition that usually pervades the fields of entertainment. Each side rooted for the other's success.

This nation's program was first. For 20 minutes it gave Europe a panoramic glimpse of American life including the Statue of Liberty, a baseball game, a presidential news conference, a busy expressway in Detroit, a summer theater, hula dancers, astronauts, the United Nations, a fairground and the chiseled faces on Mt. Rushmore.

Europe reciprocated with pictures of Big Ben in London, a Paris street scene, a Swedish maid, Sicilian boats and fishermen, a riding school in Vienna, the Square of the Republic in Belgrade, the opera in Rome, a scientific center in Geneva and the heart of industrial Germany.

The American program went over big in Europe. One London newspaper called it "the greatest show on earth and in space." Enthusiastic comment came from Germany, Spain, France and elsewhere on the continent.

Reception of the American show was good in Europe, and reception of the European show was good here, although the last minute or so of the 20-minute European program was lost to American viewers as Telstar dropped below the horizon.

Because of a recalculation of Telstar's orbit, the American program was slightly rearranged to show a portion of the Cubs-Phillies baseball game in Chicago ahead of the President's news conference.

The late change in scheduling caused Europeans to miss President Kennedy's opening remarks, in which he noted that a portion of the news conference was being televised to Europe and hailed the premiere of international television programming.

The scene shifted to Cape Canaveral, where astronaut John H. Glenn Jr. described future space projects, saying that space information can now be shared quickly "with all of you."

Then there were some fast views of the summer vacationing habits of the Americans. Detroit, highway crowded with cars, dancers in Quebec, a brief segment from a production of "Macbeth" at Stratford, Ont.

Next came scenes of the World's Fair in Seattle, followed by sequences depicting America's West—an aged Indian, horsemen beside a campfire, stampeding buffaloes and the faces of Washington, Jefferson, Lincoln and Theodore Roosevelt carved on Mt. Rushmore in South Dakota.

The American program was beamed to Europe as Telstar Club" with Danny Kaye.

## Revival Meet Near McCaskill

Wallace Alexander will begin a revival meeting at Ball's Chapel Church of Christ July 29 and it will continue through August 5. The church is located two and a half miles east of McCaskill and a mile north of Highway 24. Services will be held at 8 p.m. nightly.

## Few Change Careers at Age of 35

By BOB THOMAS  
AP Movie-Television Writer

HOLLYWOOD (AP) — It is not given to many men to find a totally new career at age 35 and to make a whooping success of it.

Just that has happened to Telly Savalas, a man with an improbable name and a face to match.

He has worked steadily in the two and a half years since he turned actor, and he may well be the favorite for next year's supporting-actor Oscar.

Who says so? Burt Lancaster says so. So do I.

You have only to see "Birdman of Alcatraz" to see what we're talking about. Telly (short for the Greek version of Aristotle) plays the con in the next cell, and his comedy brightens the otherwise stolid theme.

Telly performs like a veteran, which he isn't.

He was a Garden City, Long Island boy, who enlisted in the war, ended up 60 per cent disabled. He came back after a long hospitalization, studied psychology until he became disenchanted with it, got a job with the State Department helping to improve the American image overseas.

Born to Greek immigrants, he spoke Greek well, understood Turkish and other Middle East cultures. His work prompted a job as a news producer at ABC, then he resigned to raise funds for a little theater project in Stamford, Conn.

Raising the cash was easy, making the theater go wasn't. The enterprise ended in disaster, and Telly retired to the home of an aunt in Garden City to hide from his creditors. She persuaded him to get active in community life. Among other things she taught in adult education.

One day a phone call came from a television casting agent, who said she knew he had worked with foreigners; could he find an old man with a heavy accent to play a small role as a judge? He said he could and he enlisted a friend.

Next day the agent called to complain that the man hadn't shown up. Telly said he would take care of it. He couldn't reach his friend, so he appeared for the interview himself, faking a heavy accent. He was hastily accepted.

He was summoned to the office of the show's producer, David Susskind. "I understand you speak English very well," Susskind said.

"Yes," Telly admitted. It was then offered the leading role in "Witness," the short-lived series on actual trials.

He has worked ever since, in television and then in films like "Young Savages," "Birdman," "Cape Fear," "The Interns," "The Grand Duke and Mr. Pimm," and now "The Man from the Diner's Club" with Danny Kaye.

## Declares Reds Will Prevent Disarmament

By DORIAN FALK

GENEVA (AP)—U.S. Secretary of State Dean Rusk said today repeated Soviet declarations that communism will eventually dominate the world tend to prevent disarmament.

The United States sincerely wants an arms elimination program and a nuclear test ban treaty. Rusk told the 17-nation disarmament conference, and he is willing to return to Geneva for any angle on those matters that seems on the point of solution.

The American diplomatic chief appealed to the Soviet bloc to halt what he called "persistent pressures against the vital needs of others" which are holding up signing an agreement.

On the other hand, Soviet Foreign Minister Andrei A. Gromyko accused the Western powers of blocking progress. He said they sought through their disarmament proposals to create a paradise for the spies of the North Atlantic Treaty Organization.

Gromyko declared the Soviet Union will never open up its military bases for inspection by international disarmament teams even if the United States offers to do so.

In this connection, Rusk said he understood the Soviet position. He said the United States is an open society, whereas the Soviet Union has "obsessions with secrecy which lock the door to disarmament."

Urging the delegates to draw up plans so "people won't be bothered with the obsession of suspicion," Rusk said the United States is willing to assume some risks if a workable inspection system can be found.

Gromyko addressed the opening session of the disarmament conference since his has been in recess since last week. He stated bluntly that so far the conference has "not really moved the cause of disarmament one step forward."

He urged a "business-like and constructive" approach to the problem, but presented no new proposals from the Soviet side.

He insisted that the Soviet Union must stick to one of the chief points resisted by the United States and other Western powers—that the first stage of disarmament include destruction of all nuclear weapons.

In the first address of the day, Defense Minister V. K. Krishna Menon said he deeply regretted the Soviet new testing.

U.S. Secretary of State Dean Rusk followed Gromyko. Rusk said he regretted the Soviet resumption of nuclear testing and commented: "I never knew where the idea came from about the right to test last."

"Even after more than 40 Soviet tests," Rusk said, "the United States had offered to sign a nuclear test treaty that would have allowed inspection of less than one two-thousandths of Soviet territory per year. And this was not accepted."

Menon was the only speaker in today's meeting for the neutral group of eight nations which is trying to bridge the gap between the Eastern and Western powers.

## Reuter Named Care Director

WASHINGTON (AP) — President Kennedy today appointed Richard W. Reuter, now executive director of CARE, as director of the U.S. Food for Peace Program.

Reuter succeeds George McGovern, who has resigned to run for the Senate from South Dakota. McGovern, a Democrat, served in the House before Kennedy picked him to head the Food for Peace Program.

Reuter, 44, of New York, has been with CARE since 1946.

In addition to his post with the private relief organization, which ships food and supplies to needy overseas areas, Reuter is a vice chairman of the American Council of Voluntary Agencies for Foreign Service.

## All Around Town

By The Star Staff

Mrs. Jerry Dolan who has been at the bedside of her father Clyde Tullis, Hope, for several weeks has returned to Hattiesburg, Miss. when she received word that her husband's mother had been critically burned in a gas stove explosion.

The Babe Ruth All-Stars leave at 9 a.m. Wednesday for Bentonville for the state meet . . . and they need some money for expenses . . . anyone wanting to help should leave donations with Charles Gough at the Youth Center.

Oliver and Mary Mills have returned from the International Locksmith Association meet at St. Louis which had representatives from all states and 10 foreign countries . . . Oliver laughed when he told about the town being full of Pinkerton Agents with so many locksmiths around.

Mrs. Kathryn Jones, revenue agent, says the deadline for buying truck and trailer license plates is four.

Attending the 25th annual Dixie Music Camp, Monticello, for three weeks are . . . Jon Barbarotto, director of the Gold Band, Mrs. John Barbarotto, house mother at Willard Hall, Capt. Roy Allison, Capt. Ginger Bowden . . . Lance Jones, Phillip White, Ricky Stone, Wayne Grant, Joe Keesey, Sandra Barbarotto, Ruth Ann Wylie, Pat Rogers, Karen Caldwell, Juliana Fenwick, Linda Parsons, Mary Beth Allen, Brenda Barentine, Phil McLarty, Bobby Mitchell, David Chism and Al Weisenberger.

When a person gets in a jam it doesn't take long to spread it over town.

## Weather

Experiment Station report for 24-hours ending at 8 a. m. Tuesday, High 97, Low 70.

Total 1962 precipitation through the month of June, 26.93 inches; during the same period a year ago, 24.90 inches.

## Interest Not as Great, Faubus Says

By JOHN R. STARR

LITTLE ROCK (AP) — Gov.  
Orval E. Faubus today he  
did not see as much "high inter-  
est" in this year's gubernatorial  
campaign as in his last two races.  
But Faubus said he would take  
steps to see that no one in his  
campaign organization becomes  
complacent about this election.

"Complacency is always danger-  
ous in a political organization and  
it is more likely to occur in the  
race of an incumbent than in that  
of a challenger," Faubus said.

Faubus said he felt that complac-  
ency in the camp of former Gov.  
Francis Cherry helped Faubus the  
first time he ran in 1954.

"They just didn't wake up in  
time," Faubus said.

The governor discussed the cam-  
paign with newsmen at his cam-  
paign headquarters after he issued  
a statement about a change in the  
federal welfare law.

Faubus was asked about a state-  
ment issued Saturday by his head-  
quarters which had the ring of a  
victory statement.

"I'm not too high on victory  
statements before the victory is  
achieved," he said.

Faubus said one of the reasons  
why the vote may be tight July 31  
is the scarcity of local races in  
which there is a great deal of in-  
terest.

"In counties where there is no  
hot local race, it will take a lot  
of effort to get out a big vote,"  
Faubus said.

The governor said he received  
the results of a recent vote poll  
last Sunday, but he declined to  
say what the poll revealed.

"That's a political secret," he  
said with a grin. "I could tell you  
how we're all going to finish, but  
I won't."

Faubus said he received a pre-  
liminary report on the poll before  
he made a statement Sunday about  
the possibility of complacency in  
his organization.

## Two Drowned

ROCK ISLAND, Okla. (AP) —  
Peggy Ollinger, Arkoma, Okla.,  
and Wanda Faye Jones, Fort  
Smith, Ark., both about 14,  
drowned Sunday in a strip pit near  
Rock Island. Witnesses said the  
girls, who could not swim, had

cloudy and not so warm with wide-  
ly scattered thundershowers this  
afternoon and tonight, most num-  
erous in north half. Wednesday  
mostly cloudy with widely scat-  
tered thundershowers and cooler in  
south portions, little change in  
temperatures elsewhere. Low to-  
night 65-74. High Wednesday mid-  
80s north to lower 90s south.

LOUISIANA: Partly cloudy and  
hot through Wednesday with wide-  
ly scattered afternoon and even-  
ing thundershowers. Lowest to-  
night 72-78. Highest Wednesday 92-  
98.

## Arkansas Regional Forecast By THE ASSOCIATED PRESS

Central Arkansas: Partly  
cloudy to cloudy with widely scat-  
tered mostly afternoon and even-  
ing thundershowers this after-  
noon, tonight and Wednesday. Not  
so warm this afternoon. Thurs-  
day clear to partly cloudy and  
continued warm with widely scat-  
tered afternoon or evening thun-  
dershowers. High today upper 80s  
to low 90s. Low tonight low 70s.  
High Wednesday in the low 90s.

Southwest Arkansas: Partly  
cloudy to occasionally cloudy and  
rather warm with widely scat-  
tered mostly afternoon and night-  
time thundershowers through  
Wednesday, more numerous north-  
west this afternoon. High this  
afternoon 86-98. Low tonight 68-74.  
High Wednesday 86-92. Thursday  
partly cloudy and warm with a  
chance of afternoon thundershow-  
ers.

Southeast Arkansas: Partly  
cloudy to occasionally cloudy and  
rather warm with widely scat-  
tered mostly afternoon and night-  
time thundershowers through  
Wednesday, more numerous north-  
west this afternoon. High to-  
day 86-98. Low tonight 68-74. High  
Wednesday 86-92. Thursday partly  
cloudy and warm with a chance of  
afternoon thundershowers.

Northwest Arkansas: Cloudy to  
partly cloudy and not so warm  
with scattered thundershowers this  
afternoon and tonight and widely  
scattered mostly afternoon thun-  
dershowers Wednesday. Locally  
cooler in showers. High this after-  
noon 82-92. Low tonight 64-70.  
High Wednesday in the mid 80s.  
Thursday clear to partly cloudy  
and warm with a chance of after-  
noon thundershowers.

South Arkansas: Cloudy to  
partly cloudy and not so warm  
with scattered thundershowers this  
afternoon and tonight and widely  
scattered mostly afternoon thun-  
dershowers Wednesday. Locally  
cooler in showers. High this after-  
noon 82-92. Low tonight 64-70.  
High Wednesday in the mid 80s.  
Thursday clear to partly cloudy  
and warm with a chance of after-  
noon thundershowers.

West Arkansas: Cloudy to  
partly cloudy and not so warm  
with scattered thundershowers this  
afternoon and tonight and widely  
scattered mostly afternoon thun-  
dershowers Wednesday. Locally  
cooler in showers. High this after-  
noon 82-92. Low tonight 64-70.  
High Wednesday in the mid 80s.  
Thursday clear to partly cloudy  
and warm with a chance of after-  
noon thundershowers.

North Arkansas: Cloudy to  
partly cloudy and not so warm  
with scattered thundershowers this  
afternoon and tonight and widely  
scattered mostly afternoon thun-  
dershowers Wednesday. Locally

made its 123rd orbit of the earth,  
13 days after its launching.  
As Telstar made its 124th orbit  
three hours later, the face of Lon-  
don's Big Ben appeared on Ameri-  
can screens. Subsequent scenes  
included the Champs Elysee in  
Paris, the Coliseum in Rome and  
the Eurovision control center in  
Brussels.

## GOP Senator From Idaho Dies at 68

WASHINGTON (AP) — Idaho's  
Republican Sen. Henry C. Dwor-  
shak, a staunchly conservative  
voice on Capitol Hill since 1939,  
is dead of a heart attack at 67.

His wife found him unconscious  
Monday night in the bedroom of  
their apartment and he was dead  
on arrival at Georgetown Univer-  
sity Hospital. A son, Ward C.  
Dworshak, said the senator had  
suffered heart trouble in recent  
years.

Dworshak was the fourth con-  
servative Republican senator to  
die within eight months. The others  
were Styles Bridges of New  
Hampshire, who died last Novem-  
ber, Andrew Scheppel of Kansas,  
who died in January, and Francis  
Case of South Dakota, who died  
last March.

Dworshak's death left the Sen-  
ate alignment at 64 Democrats  
and 35 Republicans.

Speculation arose that Gov.  
Robert E. Smylie, the Republican  
nominee for a third four-year  
term as governor of Idaho, might  
resign and arrange to be appoint-  
ed Dworshak's successor in the  
Senate.

Dworshak was one of the Sen-  
ate's most consistent conservatives.  
Born in Duluth, Minn., on Aug.  
29, 1894, Dworshak worked in the  
printing and editorial departments  
of several newspapers before  
World War I. After service with  
the American Expeditionary Force  
in World War I, he became pub-  
lisher and editor of the Burley  
(Idaho) Bulletin, which he con-  
tinued to operate until 1944.

Dworshak served four terms in  
the House before he was elected  
to the Senate in 1946.

He also was one of the Senate's  
most consistent conservatives.

## Some Rain But Mostly It Was Hot

By THE ASSOCIATED PRESS

Turbulent midsummer weather  
produced what witnesses said was  
a small tornado at Hoxie Monday.  
One man was cut by flying glass  
but there were no serious injuries  
or extensive damage.

Frank Herring, manager of the  
White River Propane Gas Co., was  
cut when the storm blew out plate  
glass windows on three sides of  
the company's office. He was taken  
to a Walnut Ridge hospital.

It was a day of strange weather  
in Arkansas. Star City was without  
power because of the heat and  
streets were flooded by a down-  
pour at Clarksville.

But mostly, it was just plain  
hot.

At Star City, a C&L Electric  
Cooperative substation fuse was  
blown and the 1,800 homes and  
businesses were powerless for a  
two-hour period.

Lyn Thomasson, manager of the  
cooperative, blamed the blown  
fuse on the hot weather and said  
a 34.5 kilovolt line running from  
Monticello to the substation had  
been overloaded.

High winds accompanied a sud-  
den thunderstorm and blew over  
two mobile homes near Lake Con-  
way, injuring three persons—none  
seriously.

Mrs. Katherine Licklider, 39,  
and her eight-year-old daughter,  
Lynn, were treated for cuts and  
bruises after their trailer was  
turned on its side.

A nearby trailer occupied by

## Mr. and Mrs. Ray Godfrey

was nearly demolished when blown  
over. Godfrey, 45, was treated for  
cuts and released from a Conway  
hospital. His wife was not injured.

At Clarksville, lightning struck  
three buildings during an electri-  
cal storm which dumped up to two  
inches of rain on the city during  
a brief period.

The heavy downpour momen-  
tarily flooded several streets and  
sidewalks.

The most damage, estimated at  
\$2,500, was to a house owned by  
Mrs. Robert Kirschner which was  
struck by lightning.

The highest temperature report-  
ed in Arkansas Monday was a  
sweltering 100 at El Dorado.

Little Rock recorded 99 while  
Walnut Ridge had 97 and Fort  
Smith 95.

Continued hot weather was fore-  
cast for today along with widely  
scattered thundershowers.

## SOCIETY

Phone 7-3431 Between 8 A. M. and 4 P. M.

## Calendar

Wednesday, July 25

Executive Board of the Junior Auxiliary will meet Tuesday, July 23 at 9:30 a.m. in the Community Room of the National Bank Building. Regular meeting will be held 10 a.m.

Monday, July 30

Due to the revival services, the Wollerman Circle meeting of the First Baptist church has been postponed until Monday, July 30.

Mr. and Mrs. W. O. Hughes and children have arrived from Libya where Mr. Hughes has been with the Halliburton Oil Co. They will visit her brother, Maj. and Mrs. Earl Montgomery in Hampton, Va. and Mr. Hughes sister in Iowa City, Iowa, before coming to her parents, Mr. and Mrs. O. B. Montgomery, near Prescott.

L. W. Young left today for Nowata, Okla. to attend the funeral of his sister, Mrs. Anna Mangnus. He was accompanied by his nephew, George Young.

Mr. and Mrs. Ellis Newcomb returned home to Houston, after spending their vacation with Mr. and Mrs. Roy Franks and Mr. and Mrs. Ruel Mullins and family. Miss Sandra Sue Mullins accompanied them home for a short visit to Houston and other points in Texas.

Mr. and Mrs. C. A. Yontz of Dallas and Mr. and Mrs. Gary Patton, Albuquerque were weekend guests of Mr. and Mrs. J. C. Arlon.

Mr. and Mrs. Ralph Burke and Mr. and Mrs. J. C. Burke DeAnn.

Miss Margaret Ella Woodward Magnolia was the guest last week of Mr. and Mrs. Fred Glanville and Poleda.

Mr. and Mrs. Bob Franklin Jr. family have returned to itsville, Ala., after spending a week at Mrs. R. D. Franklin.

Mr. Frank Padberg was the day afternoon guest of Luther Lamon while en route from

Oklahoma to his home in Little Rock.

Mrs. Colver Cox of Hot Springs is spending the week with Luther Lamon and the Martin Pools.

Martin Pool Jr. returned last week from several weeks on the West Coast.

Mrs. Pauline Tyner left Monday by jet for Anchorage, Alaska to visit her son, M-Sgt. Harmon Tyner and family. She was accompanied by her brother, Quentin Stone of Houston and they will go to the World's Fair in Seattle before returning home.

Beth and Larry Lawrence are visiting in San Antonio with their brother, Capt. Paul Lawrence and family.

Friends and relatives from out-of-town attending funeral services for Charles Reynerson on July 20 included Mr. and Mrs. O. E. Silver, Amarillo, Tex.; Mr. and Mrs. B. Wester, Sulphur Springs, Tex.; Mr. and Mrs. Clark Reynerson of Baton Rouge, La.; Mr. and Mrs. Luther Reynerson, Paducah, Ky.; Mr. and Mrs. Don Reynerson and son, Greenville, Tex.; Mr. and Mrs. Otto Taylor, Crossett, La.; and Mrs. Jack Taylor, Houston.

Mrs. Charles Reynerson has gone to Amarillo to visit her parents, Mr. and Mrs. O. E. Silver.

Mr. and Mrs. Travis Burke, Shreveport; Jerry Horton and Mrs. Lester Horton of Little Rock; and Miss Mary Frances Willis, Moline, Ill.

Mr. and Mrs. Paul S. Erwin of Little Rock are the parents of a daughter, born July 20. She weighed 7 1/2 pounds and has been named Bliss Kay. Mr. and Mrs. J. A. Collier Sr. and J. W. Erwin, all of Hope are the grandparents.

Mr. and Mrs. A. M. Calhoun will celebrate their 50th wedding anniversary with an open house July 28, from 2 to 9 p.m. at their home on West Avenue B, 1 mile from Hope.

They were married July 26, 1912. They moved to Hope that year and lived here since. They have five children, 12 grandchildren, and three great grandchildren.

Their children are Mrs. Evelyn Rogers, Midland Texas; George Calhoun, Lewisville; Ray Calhoun, Jonesboro; Lyle Calhoun, Houston; and Bruce Calhoun, Dallas.

Both Emerson and members of the International Electrical Workers Union said today they will stand firm in the dispute.

A spokesman for local 767 of the union said, "We'll either return to work or we'll continue to walk out. We'll stick together."

The union charged that Emerson has imported workers from other areas in an effort to break the union and that the firm is willing to take a loss on production and profits in this interest.

Jim Dishinger, plant manager, said that production is now at the rate maintained in the plant in the weeks just prior to the strike. He said there are 179 experienced employees working at the plant and that new employees have progressed rapidly in training.

Dishinger said that one third of the new workers in the plant are from Paragould and that 79 percent are from Greene County.

Thornton said more than 30 petitions are being circulated to ask the governor's help. He did not say in what way Faubus would be asked to step into the strike.

Both sides have said the next bargaining sessions in the strike would have to be initiated by mediators.

Federal mediator Charles Wheeler was in Walnut Ridge today and could not be reached. Wheeler had said last week efforts to set up negotiations this week were unsuccessful. He said another attempt may be made to call a session next Monday.

Thornton said the petitions were being moved all over the state, but mostly in Greene, Craighead and Mississippi counties.

The petitions will be used to urge Faubus to help the union and the company reach agreement in the 34-day old strike. Half a dozen previous arbitration attempts have failed.

The union contends at the bargaining table and in the petitions that workers who struck June 20 should be re-hired.

Dishinger issued an order for strikers to return to their jobs June 27 or be permanently replaced. He now contends that strikers cannot be re-hired because their replacements were promised permanent jobs.

Greene County, the union says, needs the strikers on the job to bolster the county economy.

Arkansas Named

ALBUQUERQUE, N.M. (AP)—Pat Wheat of Searcy, Ark. was named vice commander of the American ex-Prisoners of War organization Saturday. Alex Salinas of San Antonio, Texas named president. The officers were elected during the 16th annual convention of the group.

## New Test Tonight If Things Right

HONOLULU (AP) — Unless weather or technical problems interfere, the United States will explode its second high-altitude nuclear warhead above Johnston Island late tonight.

The shot—one of the last of the current Pacific test series—will be much weaker than the thermonuclear explosion which lit up the mid-Pacific July 8. That blast was set off at a height of 210 miles and was seen from Hawaii to New Zealand.

Tonight's test will be at a probable altitude of 30 to 40 miles and will be in the sub-megaton range, equal to between 20,000 and one million tons of TNT.

The explosion is scheduled for 10 p.m. HST—3 a.m. EST Tuesday, but technical troubles or weather could delay it for as long as five hours.

Mr. and Mrs. Travis Burke, Shreveport; Jerry Horton and Mrs. Lester Horton of Little Rock; and Miss Mary Frances Willis, Moline, Ill.

Mrs. Charles Reynerson has gone to Amarillo to visit her parents, Mr. and Mrs. O. E. Silver.

## Births

Mr. and Mrs. Paul S. Erwin of Little Rock are the parents of a daughter, born July 20. She weighed 7 1/2 pounds and has been named Bliss Kay. Mr. and Mrs. J. A. Collier Sr. and J. W. Erwin, all of Hope are the grandparents.

## DOROTHY DIX

The Time to Be Happy

By HELEN WORDEN ERSKINE

Dear Helen: My husband made much of holidays. They were a time to be happy. No matter what the holiday, political or religious, he celebrated. I looked forward to these days as much as he. Then he died, quite suddenly, within the year and I dread their coming.

The Fourth of July was hard for me. Labor Day won't be so bad but when I think of Thanksgiving and Christmas without him it seems more than I can bear.

Thanksgiving, we had turkey, of course, with all the trimmings, including cranberry sauce and pumpkin pie — my husband's favorite. There was laughter and talk and the smell of good things cooking. The whole family was at the table. My husband said grace then he got it extra sharp, and stood up straight and handsome, to carve the turkey. He made a ceremony of the occasion.

At Christmas our granddaughter helped him trim the tree. Last year it was a big one, six feet tall. They decorated all white — his idea — with that glittery artificial snow you spray on; then hung it with silver balls and tinsel and fastened a silver Star of Bethlehem on top. The ornaments are packed away on a top shelf in the spare room closet but I shan't have the heart to get them down this year, give gifts, or send out cards. Is it wrong to feel this way? Should I send Christmas cards whether I'm sad or glad? I ask the question because the lady of whom we always bought our cards called the other day and said if I got my order in early, she could give me a good selection — Grandma.

Dear Grandma: You are in the land of the living. Go on with your life. Having been through an experience similar to yours, I know how hard that can be. But

you are fortunate, as was I, in having had a husband who knew how to enjoy life, who remembered to live himself.

Your husband set you an example. You would be less than true to his memory if you didn't follow it. Life is change. It isn't essential that you do exactly as he did, unless that is what you yourself would enjoy. Order the Christmas cards. Choose the gayest, prettiest and most charming possible. Continue to make an occasion of holidays, but in your own way.

Dear Helen: I'm a confused 15-year-old girl with an aching heart. The pain is real and a boy is the cause. He enters his senior year at college this fall and I my sophomore year at high. We've been seeing each other at least once a week for two years, except during vacation when he returns home.

We meet at various musical events in which we both participate. Our backgrounds, interests and tastes are similar. We belong to the same faith. We talk frankly to one another about our hopes, fears, ambitions. He often speaks warmly of a sister whom he loves dearly and says I remind him of her.

Now vacation is here and he's gone home. He promised to write and hasn't. I'll simply die if I don't hear from him. We have each other's telephone numbers and addresses and yet there is this wall of silence. What am I to do? I've been infatuated before but this is different. —Confused

Dear Confused: An ache in the heart is just as real at 15 as 50. Perhaps even more painful because youth takes life so seriously. But the cure remains the same: If he turns up again, well and good; if he doesn't — well, "Men have died from time to time, but not for love." Concentrate upon your music. Make it your major interest. The more independent you are, the more desirable you will be.

Dear Helen: My husband wanted me to help support a son he had by another woman. It came as a complete surprise to me and I refused. Now he tells me it would simplify matters if I left. I work and we've just about got the house paid for. The question is, who would get the house — he or I? More important, I love my husband in spite of all he has done to hurt me. His conscience must bother him for he argues all the time. He is 52, I am 38. He's kind in his way but handicapped by not being able to read or write, so signed a paper without knowing that it was an agreement to give the boy his name. Please print my letter and your answer. I shall read it to him. —Desperate

Dear Desperate: This is a case for a lawyer. Go to the nearest Domestic Relations Court and ask the judge to either assign or recommend one. On the basis of information furnished, you would be better off apart from this man, especially if you are self-supporting. Did you keep a record of payments you made on the house?

Send your problem to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available. Write for "Divorces and Separations."

Mr. and Mrs. A. M. Calhoun will celebrate their 50th wedding anniversary with an open house July 28, from 2 to 9 p.m. at their home on West Avenue B, 1 mile from Hope. They were married July 26, 1912. They moved to Hope that year and lived here since. They have five children, 12 grandchildren, and three great grandchildren.

## Both Sides in Emerson Strike Firm

LITTLE ROCK (AP) — Gov. Orval E. Faubus said today he understood only one matter remains to be resolved before a month-old strike at the Emerson Electric Co. in Paragould can be settled.

But Faubus said he had not yet received word about petitions being circulated in Paragould asking him to take a personal hand in the dispute.

Newsmen told him about the petitions today.

"My latest information is that the only remaining dispute is the return of certain employees who have been replaced during the strike to their jobs," Faubus said.

He added that the state Labor Department has been in constant touch with both parties in the dispute.

Both Emerson and members of the International Electrical Workers Union said today they will stand firm in the dispute.

A spokesman for local 767 of the union said, "We'll either return to work or we'll continue to walk out. We'll stick together."

The union charged that Emerson has imported workers from other areas in an effort to break the union and that the firm is will-

ing to take a loss on production and profits in this interest.

Jim Dishinger, plant manager, said that production is now at the rate maintained in the plant in the weeks just prior to the strike. He said there are 179 experienced employees working at the plant and that new employees have progressed rapidly in training.

Dishinger said that one third of the new workers in the plant are from Paragould and that 79 percent are from Greene County.

Thornton said more than 30 petitions are being circulated to ask the governor's help. He did not say in what way Faubus would be asked to step into the strike.

Both sides have said the next bargaining sessions in the strike would have to be initiated by mediators.

Federal mediator Charles Wheeler was in Walnut Ridge today and could not be reached. Wheeler had said last week efforts to set up negotiations this week were unsuccessful. He said another attempt may be made to call a session next Monday.

Thornton said the petitions were being moved all over the state, but mostly in Greene, Craighead and Mississippi counties.

The petitions will be used to urge Faubus to help the union and the company reach agreement in the 34-day old strike. Half a dozen previous arbitration attempts have failed.

The union contends at the bargaining table and in the petitions that workers who struck June 20 should be re-hired.

Dishinger issued an order for strikers to return to their jobs June 27 or be permanently replaced. He now contends that strikers cannot be re-hired because their replacements were promised permanent jobs.

Greene County, the union says, needs the strikers on the job to bolster the county economy.

## Jim Crain Dies of Heart Attack

WILSON, Ark. (AP)—James H. Crain, 73, a veteran member of the Arkansas Highway Commission who resigned in 1960, died in his home today of a heart attack.

Crain, a native of Brandon, Miss., came to Arkansas in 1911. He twice was chairman of the state Highway Commission and for 17 years was trustee of the Lee Wilson Co., of Wilson, Ark. Crain resigned as trustee in 1950, but remained with the huge agricultural enterprise in an advisory capacity.

THE STORY OF MARTHA WAYNE

By Wilson Scruggs

# Frank Awakes for Dodgers, Leads Attack

BY BOB GREEN  
Associated Press Sports Writer

Frank Howard is a huge young man who just may have found something he's been looking for—himself.

The Los Angeles Dodgers have been waiting sometimes not too patiently for most of two years for the 6-foot 6 1/2-inch giant to start hitting the long ball, the missing ingredient in their swift attack.

Suddenly, Howard has obliged. He has bashed five home runs in the last six games, driving in 11 runs as the Dodgers continue to hold off the pressing San Francisco Giants.

His two-run homer triggered a three-run second inning Monday night that put the Dodgers off and running in their fourth straight victory, a 9-2 romp over St. Louis.

The Giants played two games back with a 5-1 edge over Houston. Jim O'Toole, young Cincinnati left-hander who also has had his troubles this season, hurled a masterful one-hitter as the Reds knocked Pittsburgh 5 1/2 games back, 3-0. Philadelphia handed the Chicago Cubs their seventh loss in a row, 5-3 in the only other National League game scheduled.

Minnesota got five hit pitching from Dick Stigman and home runs from Rich Rollins, Bob Allison and Lenny Green in an 8-1 rout of Detroit and Los Angeles came from behind to nip Baltimore 6-5 in 14 innings.

Howard's power has been the key to four of Los Angeles' last five victories. Maury Wills and Jim Gilliam also clipped in with homers to make it easy for Johnny Podres (6-7) to coast in. Starter Ray Sadecki (6-3) took the loss.

O'Toole, who had a 9-9 record last season, but has slipped to 9-11 this year, also appeared to have found himself in the one-hitter against the Pirates.

He had a perfect game through 7 1/3 innings before Bob Lemon leaped a double to right center. The only other Pirate baserunner was Bill Virdon, who walked in the ninth.

Willie Mays and Orlando Cepeda each drove in two runs to help Bob Bolin to his sixth victory without a loss in the Giant triumph over the Cards. Mays contributed his 20th homer and a double. Cepeda had two doubles and a single.

Philadelphia scored all its runs in the last three innings in over-

# Sidewalk Sale Is Thursday

THE ABOVE PICTURES SHOW THE CROWDS THAT shopped the Sidewalk Sale in Hope last July 28. These same scenes will be repeated Thursday, July 26, when Hope Retail Merchants will again have their Sidewalk Sale from 7 a. m. to 11 a. m.

Second street will be blocked off from the First National Bank to the Citizens National Bank Drive in entrance. Streets running north and south will be left open to traffic.

Merchandise will be displayed on the sidewalk and in the streets on tables and racks and plans have been made for a carousel to be set up in the center of town with cold drink stands on either end of the blocked off area.

Customers are invited to spend the morning in downtown Hope, take advantage of the many bargains offered by the merchants, and have a good time visiting with friends.

This townwide promotion is just one of many that the Hope Retail Promotion Assn. sponsors each year and they encourage customers in this area to "Shop in Hope."

# Hope Legion Drops First Dist. Game

In round one of the District Tourney, the Hope Junior American Legion dropped his first game to Arkadelphia by a score of 4 to 3. Hope led from the 3rd inning until in the ninth with 3 men on for Arkadelphia, they managed to score 2.

The host took a lead in the first with a run by Grigsby. In the third the locals managed 3 coming when walker Barksdale stole second and came in on an error as Danny Key went to first. He then advanced to second on a passed ball and Halfield was on by balls. Two more passed balls advanced Key in and Halfield was batted in by Mutt Wasell's single. Arkadelphia's winning runs came from Phelps on

coming a 3-0 Cub lead. Don Demeter started it with his 15th homer in the seventh and the Phillies went ahead to stay on singles by Clay Dalrymple, Demeter, and Reuben Amaro and a sacrifice fly.

# Killebrew Still on Home Run Binge for Twins

By DON WEISS  
Associated Press Sports Writer

Cal Griffith of the Minnesota Twins said it recently: When Harmon Killebrew and Bob Allison start to hit, and if we can find another starting pitcher, we'll cause lots of trouble yet.

Killebrew? He went on a home run binge starting two weeks ago and now has 25 home runs with 9 runs batted in.

Allison? He has hit at a .393 clip in his last seven games, including five home runs and 14 one-hitters, won its sixth in a row, Hall after a string of 20 shutout RBIs.

The starting pitcher? How delphic handed Chicago its sev-

left hander who was yanked from the bullpen six days ago and since has pitched two straight complete game victories while striking out 19 and allowing only 11 hits? ...

Owner Griffith watched in awe Monday night as Allison, hitting in his seventh straight game, rapped a three-run homer behind Stigman, who scattered five hits and fanned eight in beating the Detroit Tigers, 8-1 at Minnesota.

The victory enabled the revived Twins to keep pace with the run-ner-up Angels, who came from behind to nip Baltimore 6-5 in 14 innings.

The two were the only games played in the AL Monday. In the National League, Los Angeles lead over San Francisco, beating St. Louis 9-2, while the Giants were

clipped in his last seven games, including five home runs and 14 one-hitters, won its sixth in a row, Hall after a string of 20 shutout RBIs.

The starting pitcher? How delphic handed Chicago its sev-

and the New York Mets were not scheduled.

Before he got his first start of the season July 18 against Cleveland, Stigman had appeared in relief 25 times for the Twins, had a 3-2 record but had pitched only 32 innings.

A two-run homer by Rich Rollins, his 13th, and Lenny Green's 11th got the Twins off to a 4-0 lead in two innings. Allison, who has climbed to .272 with 54 RBIs, hit No. 14 with two on in the third when Stigman uncorked a wild pitch with the bases loaded and Rocky Colavito batting. Rocky then struck out.

The Angels pushed across the winning run in the 14th against reliever Dick Hall when Felix Torres delivered a bases-loaded single. It was the first run off ninth. The win moved the Angels to within 2 1/2 games of the league-leading Yankees who had the

innings of relief after Los Angeles rallied to tie the score in the ninth. The win moved the Angels to within 2 1/2 games of the league-leading Yankees who had the

# Protect Teachers Retirement Benefits

When Governor Faubus took office in January, 1955, the Teacher Retirement System had \$17,284,607.15 on hand. By May 1, 1962, this fund had been increased to \$45,649,009.35. The Teacher Retirement System in Arkansas is sound.

Help Governor Faubus protect Teacher Retirement Benefits.

Vote for Governor Faubus on July 31, 1962.

☒ **Elect GOVERNOR ORVAL E. FAUBUS**

Pol. Ad. Paid for by J. L. Bland

Dear Folks:  
Sometimes things seem to happen to test the mettle of a person and his family and the loyalty of his friends.

My accident Wednesday night on a bypass section of U. S. 71 six miles south of Texarkana when I was forced off the substitute roadway comes in this category.

My friends have responded so magnificently that my family and I are overwhelmed. We thank each of you and ask that you continue your efforts until July 31.

Reports from all nine counties in the District seem to assure a great victory on July 31.

It will be your victory, not mine, for only by the loyal support and the helpful spoken or written recommendation of friends like you to others can a man seeking an important district office like Chancellor be elected.

While I will be out some the last week of the campaign, I will not be at full speed and must depend on you friends to take up the slack for me. I believe firmly that you will do this.

For your efforts, my family and I thank you sincerely. We will do our best, and with your best efforts, it will assure a great victory July 31st.

Sincerely,

ROYCE WEISENBERGER

Pol. Ad. Pd. For By Royce Weisenberger
